

SCR series screw air compressor

SCR Leading the way in air compressor technology Shanghai Screw Compressor Co., Ltd(SCR) is a company registered in 2000, focus on research and development, production, sales and ...

Permanent Magnetic VSD Screw air compressor EPM/EPM2 series: Potential failure warning function, the intelligent system will send you potential failure ...

SCR GPM2 series has obtained the German TÜV CLASS 0 oil-free certification, providing enterprises with 100% oil-free, Clean and high-quality compressed air. The machine adopts a ...

Low pressure Permanent Magnetic VSD screw air compressor LBPM series: 24-hour uninterrupted operation, real-time monitoring of pressure and temperature changes in ...

SCR's most recent touchscreen interface allows easy clever handle for your compressor. Pressure and scheduling times can be easily programmed allowing you to instantly start and ...

This document is a maintenance manual for Shanghai Screw Compressor Co., Ltd. screw air compressors ranging from 7.5 to 250 kW. It provides safety ...

The world's leading manufacturer of oil and oil-free compressors. New SCR-APM Mini series power range 3,6-5,8 kW We launch new series of SCR screw compressors covering the power ...

Permanent Magnetic VSD Screw air compressor APM series: The use of permanent magnet materials resistant to 180 degrees high temperature ensures that the permanent magnet unit is ...

The document provides installation, operation and maintenance instructions for an SCR series screw air compressor. It outlines safety precautions to follow ...

The document provides an installation, operation, and maintenance manual for SCR series screw air compressors. It covers safety precautions, system ...

Standard Warranty Clause SCR Company provides the following warranties on the manufacturing process and material defects for the SCR air compressor manufactured by itself in the ...

Permanent Magnetic VSD Screw air compressor PM series: Large rotor and reasonable length-to-diameter ratio, large gas output, low-speed operation, ...

Shanghai Screw Compressor Co., Ltd (SCR) is a company registered in 2000 in Shanghai, who focus on

SCR series screw air compressor

innovation, research and development, production, ...

SCR compressor can adjust compressor's rotating speed depends on the demand of factory load which changes from moment to moment by own developed algorithm. Thus, it can provide ...

Permanent Magnetic VSD Screw air compressor PM series: Large rotor and reasonable length-to-diameter ratio, large gas output, low-speed operation, low vibration, low noise, and effectively ...

All new Inverter Control Screw Air Compressor runs at variable speed to match production requirement that reduces energy & operating costs. The use of permanent magnet materials ...

Lossless direct drive 1:1 The SCR-PM2 series compressors are equipped with highly efficient ALLY WIN airends, which were designed in Germany and have ...

SCR series screw air compressor
