

## SWDE165 integrated down-the-hole drill rig parameters

Sunward-Discover sa SWDE165 drilling rig ni Sunward, usa ka top choice sa mga drilling rig companies alang sa iyang efficiency ug cutting-edge nga teknolohiya.

As a manufacturer of DTH drilling rigs, we provide this KT15C integrated down-the-hole drill rig for open use. It can drill vertical, inclined and horizontal holes, ...

The ZT10 integrated down the hole drill rig for open use is a new drilling device and production of down the hole drill rig to meet the needs of large open-pit mines.

KT12 Integrated Down the hole Drill RigThe KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

Cutting-Edge SWDR138B Blasthole Driller for Precision Drilling Integrated Cutting and Down-the-hole Drilling Rig Combining the advantages of excavator and rock drilling rig, the product has ...

Categories: All Products, Kaishan Drilling Rigs, Rock Drilling Tools Description: The KT11 integrated surface DTH drilling rig utilizes a single Cummins three-cylinder diesel engine with ...

Sunward SWDE165A Down-the-hole Drill Product performance introduction,Sunward DTH Drill How much is it? Where to buy Sunward DTH Drill,Where can I find used ones?

High quality Full Hydraulic Integrated Down the Hole Surface Rock Drill Rig for Open Pit Mining from China, China"s leading Rock Drill Rig product, with strict quality control Rock Drill Rig ...

Consists of integrated down-the-hole drilling rigs,full hydraulic open-pit drill carriages,multifunctional cutting drilling rigs, ground screw drilling rigs, down hhole rock drill jumbos ect. It is widely ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH blasthole drilling in mining, quarry and ...

The series of down the hole drilling diameter of 90-230mm and a maximum drilling depth of 36m. Meeting the drilling need s of vertical, inclined and horizontal blasting hole under various ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

## SWDE165 integrated down-the-hole drill rig parameters

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

The SWDE series is surface down-the-hole drilling rigs which have a drilling diameter of 90-230mm and a max drilling depth of 36m. Meeting the drilling ...

Product description Drilling method: Down-the-holeHole diameter: 138-165mmDTH-hammer: 5 and 6 inches  
The SWDE series is surface down-the-hole drilling rigs which have a drilling ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw compression system and ...

Multifunctional Drilling Rig - High Power, High Efficiency, Maximum Versatility Multifunctional Drilling Rig is a high-performance, multi-purpose machine designed to meet demanding drilling ...

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

Sunward-Efficient and reliable, the SWDE120S in the hole drill rig is designed for superior performance in demanding drilling applications. Discover its advantages today.

SWDF200 Consists of integrated down-the-hole drilling rigs,full hydraulic open-pit drill carriages,multifunctional cutting drilling rigs, ground screw drilling rigs, down hole rock drill ...

Consists of integrated down-the-hole drilling rigs,full hydraulic open-pit drill carriages,multifunctional cutting drilling rigs, ground screw drilling rigs, down hole rock drill jumbos ect.

This integrated down the hole drill rig combines air compressor and drilling functions, perfect for DTH boring machine operations in mining.

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, characterized by compact ...

Kaishan KT7D integrated open-pit down-the-hole drilling rig is an advanced drilling equipment that integrates the down-the-hole drilling system and the screw air compression system. It is mainly ...

Sunward SWDE165S dth drilling rig is flexible and versatile, ensuringt high productivity and reliability. Drill contractors" best friend!

SWDE165 Down-the-hole Drill Rig Overview The integral hydraulic down-the-hole drill is widely used for

## SWDE165 integrated down-the-hole drill rig parameters

blast hole drilling in open-air projects, such as ...

Product Description Product Description The SWDE165A integrated down-the-hole drilling rig is highly efficient, and the unique long drill frame structure reduces the auxiliary time of the ...
