How much does a portable air compressor cost?

Fully serviced and ready to work. Very clean machine. \$ 135,000 FOB Washington. Description: The 1150 series dual pressure/dual capacity portable air compressor delivers 900cfm at 500psi or 1150cfm at 350psi. The compressor features a 7" di...

What is the difference between industrial air compressor and commercial air compressor?

Industrial air compressors generate much more power than those made for home use. A commercial air compressor is a machine which increases the pressure of a gas (normally air) by compressing the volume of the air inside of it. The air compressor takes in air at the atmospheric pressure level and supplies it at a much higher-pressure level.
