

# Shanhe Intelligent Down-the-Hole Drilling Rig Yuan

The down-the-hole drill can work smoothly in the plateau of Huoshaoyun Lead-Zinc Mine at an altitude of 5600 meters.,It further proves that the drilling equipment of Sunward Intelligence ...

Unique high-drill structure, reduce the auxiliary time of the connecting rod; configure two working modes of down-hole and cutting, adopt the down-hole mode under hard rock conditions, adopt ...

In this PK process, Shanhe intelligent SWDH89A open-pit hydraulic drilling rig wins strongly (work efficiency, fuel consumption, environmental protection index, failure rate, ...

Unique high-drill structure, reduce the auxiliary time of the connecting rod; configure two working modes of down-hole and cutting, adopt the down-hole mode under hard rock ...

Sunward Swdb120b Factory Wholesale Down-The-Hole Drilling Rig for Pile Pressing, Find Details and Price about Coal Mining Drill Heavy Drilling Machine from Sunward Swdb120b Factory ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...

In 2003, China's first integrated down-the-hole drilling rig with independent intellectual property rights was successfully launched in Shanhe Intelligent. With high technical standards, the ...

In 2003, the first domestically produced integrated down the hole drilling rig was launched at Shanhe Intelligent, filling the domestic gap. In 2004, the first independently developed rotary ...

The SWPDT125 deep well casing truck mounted drilling rig is the intelligent crystallization of Shanhe Intelligent's continuous utilization of its &quot;pioneering innovation&quot; advantages and more ...

Brand new and upgradedBFSeries cutting down-the-hole drilling machine,Combine that advantages of Excavator and rock drill,Both high-speed cutting and ...

Problems solved by technology For example, the Shanhe intelligent integrated hydraulic down-the-hole drilling rig launched by Hunan Sunward Intelligent Machinery Co., Ltd., and the belt ...

At the exchange meeting,Shu Minfei, general manager of Shanhe Mine, issued a construction record certificate of drilling 42888 meters per month to Andre and the rig operator. ...

# Shanhe Intelligent Down-the-Hole Drilling Rig Yuan

On September 27th, Shanhe Intelligent held a grand ceremony for the delivery of SWPDT135 deep well casing truck mounted drilling rig and SWPDC110 deep well crawler drilling rig.

More than 40 meters to 50 meters are caves, and 50 meters are more wide in diameter than 6 meters. The casing must be down to 50 meters to ensure the quality and cost ...

Jin10 reported on July 31 that an investor asked whether the ultra-deep vibrating drilling rig seen in the CCTV footage of the opening ceremony of the Yarlung Tsangpo River downstream ...

It is understood that the Shanhe intelligent dual-power head powerful multi-function drilling rig is composed of a detachable dual-power head, a high-stability track-type ...

1) Safety protection measures Shanhe intelligent rotary drilling rig fully consider the safety guarantee, in the construction process rest assured. The cab adopts a special-shaped frame ...

Multi-functional expansion of high-value embodiment Shanhe intelligent rotary drilling rig has a variety of configurations for you to choose from, to achieve-machine multi-function, diversified ...

Recently, Andre, General Manager of a Mining Area, and His Delegation Visited Sunward Intelligence for Investigation and Exchange? At the exchange meeting, Shu Minfei, ...

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several ...

This batch of integrated down-the-hole drilling rigs includes two models, SWDE138A and SWDB200A, which integrate rock adaptive control, intelligent bottom control, ...

In 2001, He Qinghua, the chairman of Shanhe Intelligent, personally took the lead and set up a rotary drilling rig project team to focus on the core technology of rotary drilling rigs.

Down The Hole Hammer Drill Rigs for Mining, the ZEGA D470A's diesel-powered, down-the-hole (DTH) drill has excellent mobility, a smaller footprint and the ability to serve multiple sites. It is ...

In 2002, Shanhe Intelligence became the only host manufacturer in China that had independent intellectual property rights and was able to independently develop rotary rig control software. ...

The SWDM220 and SWDM300H rotary drilling rigs have continued the consistent characteristics of Shanhe Intelligent Rotary Drilling Rigs. They are applicable ...

It is understood that the Shanhe intelligent dual-power head powerful multi-function drilling rig is composed

# Shanhe Intelligent Down-the-Hole Drilling Rig Yuan

of a detachable dual-power head, a high-stability track-type pile frame and an ...

The rig is equipped with both down-the-hole and cone drilling modes.,Make the construction operation more convenient.;Double-motor two-stage reduction is adopted.,Adapt to a wide ...

2.1.1 Hong Yuan Intelligent drilling rig The CYTJ86A3W intelligent triple-boom rock drilling rig from Hong Yuan developed for China Railway has the following functional features.
