

Shanhe Intelligent down-the-hole drill rig

SWDM18

As the pioneer of high-end rock drilling equipment in China, Sunward Intelligence upholds "Pilot innovation" idea, actively promote high-end manufacturing industry? Intelligent ...

In 2002, Shanhe Intelligence became the only host manufacturer in China that had independent intellectual property rights and was able to independently develop rotary rig control software. ...

At the exchange meeting, Shu Minfei, general manager of Shanhe Mine, issued a construction record certificate of drilling 42888 meters per month to Andre and the rig operator. ...

We're professional down the hole hammer drill rigs for mining (mines) manufacturers and suppliers in China, specialized in providing high quality products and service. We warmly ...

SWD series down-the-hole drills are widely used in blasthole drilling applications for surface mining, construction and quarries. Hole diameters range from 138mm to 255mm ...

More than 40 meters to 50 meters are caves, and 50 meters are more wide in diameter than 6 meters. The casing must be down to 50 meters to ensure the quality and cost of the pile. ...

Notice Details and Documents: Description - notice_title: Skateboard Stop, Shanhe Intelligent Drilling Rig Swde165B, Item Number 859407110103, Etc. 7 Items local title:: ??? ...

In this PK process, Shanhe intelligent SWDH89A open-pit hydraulic drilling rig wins strongly (work efficiency, fuel consumption, environmental protection index, failure rate, ...

Unique high-drill structure, reduce the auxiliary time of the connecting rod; configure two working modes of down-hole and cutting, adopt the down-hole mode under hard rock ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...

The SWPDT125 deep well casing truck mounted drilling rig is the intelligent crystallization of Shanhe Intelligent's continuous utilization of its "pioneering innovation"; advantages and more ...

Jin10 reported on July 31 that an investor asked whether the ultra-deep vibrating drilling rig seen in the CCTV footage of the opening ceremony of the Yarlung Tsangpo River downstream ...

Shanhe Intelligent down-the-hole drill rig

SWDM18

Unique high-drill structure, reduce the auxiliary time of the connecting rod; configure two working modes of down-hole and cutting, adopt the down-hole mode under hard rock conditions, adopt ...

The multi-functional rotary drilling rig with high technical level, rapid construction and wide application range represented by cast-in-place pile has strong vitality. Shanhe ...

Problems solved by technology For example, the Shanhe intelligent integrated hydraulic down-the-hole drilling rig launched by Hunan Sunward Intelligent Machinery Co., Ltd., and the belt ...

The cutting rig is a new type of drilling equipment invented by the high-speed rotary cutting drilling method based on the drilling method of breaking the traditional hard rock impact rock drilling. ...

Recently, the National Mining Drilling (Emergency Rescue) Skills Competition kicked off in Jining, Shandong. Shanhe Intelligent showcased its independently developed SWPDT135 dual power ...

In 2003, China's first integrated down-the-hole drilling rig with independent intellectual property rights was successfully launched in Shanhe Intelligent. With high technical standards, the ...

Multi-functional expansion of high-value embodiment Shanhe intelligent rotary drilling rig has a variety of configurations for you to choose from, to achieve-machine multi-function, diversified ...

The rig is equipped with both down-the-hole and cone drilling modes.,Make the construction operation more convenient.;Double-motor two-stage reduction is adopted.,Adapt to a wide ...

China Drill_Rigs catalog of Diesel-Powered Self-Contained Crawler-Mounted Down-The-Hole Drill Rig DTH Kt5c 90 - 115 mm High Quality Inclined Hole 25 M Depth Clear Cutting Debris, ...

Brand new and upgradedBFSeries cutting down-the-hole drilling machine,Combine that advantages of Excavator and rock drill,Both high-speed cutting and ...

In 2001, He Qinghua, the chairman of Shanhe Intelligent, personally took the lead and set up a rotary drilling rig project team to focus on the core technology of rotary drilling rigs.

More than 40 meters to 50 meters are caves, and 50 meters are more wide in diameter than 6 meters. The casing must be down to 50 meters to ensure the quality and cost ...

The SWDH89A open-air hydraulic drilling rig involved in PK was independently developed by Shanhe Intelligent Rock Drilling Equipment Research Institute. After several ...

Recently,Andre, General Manager of a Mining Area, and His Delegation Visited Sunward Intelligence for

Shanhe Intelligent down-the-hole drill rig

SWDM18

Investigation and Exchange?At the exchange meeting,Shu Minfei, ...

This batch of integrated down-the-hole drilling rigs includes two models, SWDE138A and SWDB200A, which integrate rock adaptive control, intelligent bottom control, ...

The SWDM220 and SWDM300H rotary drilling rigs have continued the consistent characteristics of Shanhe Intelligent Rotary Drilling Rigs. They are applicable ...
