

Singapore Jinfan Fully Hydraulic Water Well Drilling Rig

Who is Jinfan drilling rig manufacturer?

JINFAN is Chinadrilling rig manufacturer,offer hydraulic crawler drilling rig,anchor drill rig,water well drilling rig,core drilling rig,in addition to drilling tools such as DTH hammer,eccentric casing bit and wire-line core barrel.

Where is Jinfan drilling equipment company located?

Add.: No. 221, Xi Tai Road, Mei Cun Industrial Zone, New District, Wuxi City, Jiangsu Province, P.R. China. JINFAN Drilling Equipment Company is a renowned drilling rig manufacturer and supplier in China.

What is Jinfan YG & YGL series hydraulic crawler drilling machine used for?

In addition, JINFAN YG and YGL series hydraulic crawler drilling machines are ideal for side slope and foundation construction, reinforcement in water power stations, and the construction of railways, highways, tunnels, high rise buildings and more.

What is a Jinfan yg-80 & yg-60 anchor drilling rig used for?

Due to their reliable performance and wide range of applications, the JINFAN YG-80 and YG-60 anchor drilling rigs are often used to create holes for anchoring purposes in many key hydropower stations of China.

What types of drilling rigs are available?

Our most popular products include a hydraulic anchor drill rig, hydraulic crawler drilling rig, water well drilling rig, core drilling rig, in addition to a variety of related drilling tools including our DTH hammer, pulling machine, eccentric casing bit and wire-line core barrel.

Introduction The YSL-200 water well drilling rig is a fully hydraulic driven, power head type drilling rig. Mainly suitable for the construction of water well drilling machines, geothermal hole ...

Fully Hydraulic Reverse Circulation Geological Exploration Drilling Machine Rig, Find Details and Price about Drilling Rig Drilling Machine Rig from Fully Hydraulic Reverse Circulation ...

YGL-150Q is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for vertical or ...

The Drilling Rig Model YGL-C200, which is a full hydraulic top drive impact power head crawler drilling rig. It applies to construction of big tonnage stress anchoring hole, the grouting ...

Jinfan is especially devoted to research & develop, manufacture and sell anchoring drilling machine, sea engineering geological exploration drilling rig, core drilling machine and RC ...

Singapore Jinfan Fully Hydraulic Water Well Drilling Rig

Introduction The YSSL-300 water well drilling rig is a tracked loading, fully hydraulic driven, and dual power head drilling rig. Mainly suitable for water well drilling construction, and also ...

400m DTH Water Well Drilling Rig-Specially designed for Water wells,Geothermal drilling and Mineral Exploration, Fitted on Crawler or Truck Carrier.

YGL-180GM is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for vertical or ...

Drilling Rig Manufacturer in China JINFAN Drilling Equipment Company is a renowned drilling rig manufacturer and supplier in China. Our most popular products include a hydraulic anchor drill ...

Introduction The YSL-300 water well drilling rig is a fully hydraulic driven, power head type drilling rig. Mainly suitable for the construction of water well drilling machines, geothermal hole ...

JINFAN is China hydraulic surface core drilling rig manufacturer. YDX-1200 hydraulic surface core drilling rig provides us an ideal diamond core drilling solution in metal and nonmetal solid ...

The HH Series are fully automatic rigs with a hydraulic hoist system that contributes to high performance and security. This rig design features various hydraulic equipment that is largely ...

As a full hydraulic power head (top drive) multifunctional drilling equipment, the YSL-300 hydraulic water well drilling rig is a useful tool for drilling water well ...

Wuxi Jinfan Drilling Equipment Co., Ltd. (hereinafter referred to as "Jinfan") founded in 2003, is located in the Meicun Industrial Zone of Wuxi New District, with business covering more than ...

The YSL-300 water well drilling rig is a fully hydraulic driven, power head type drilling rig. Mainly suitable for the construction of water well drilling machines, geothermal hole construction, and ...

Portable water well drilling rig are specialized machines engineered to bore holes into the earth to access underground water sources. Unlike larger industrial rigs these compact units are ...

Company Brief: JINFAN Drilling Equipment Company is a renowned drilling rig manufacturer and supplier in China. Our most popular products include a ...

As the most dynamic and powerful rigs Lone Star has to offer, the trailer-mounted hydraulic drills maximize drilling efficiency. Hydraulic power boosts performance and accelerates productivity, ...

Singapore Jinfan Fully Hydraulic Water Well Drilling Rig

Full hydraulic core drilling rig is a highly efficient and versatile drilling machine, primarily designed for drilling solid mineral deposits while also being applicable to a variety of engineering and ...

Contact Now High Stability Water Well Drilling Rig Hydraulic Anchor Crawler Drilling Machine Rig Fully Hydraulic Geological Diamond Core Drilling Machine Multiple Water Well Drill Rig High ...

JINFAN is China hydraulic surface core drilling rig manufacturer. YDX-1200 hydraulic surface core drilling rig provides us an ideal diamond core drilling ...

Product Profile YGL-220RC is mounted on a crawler chassis, driven by full hydraulic system, power head type drilling rig, which is used to drill vertical or inclined hole, and also the drilling ...

LS200H Hydraulic Water Well Drill LS200H Hydraulic Water Well Drilling Rig The LS200H is excellent for drilling applications that require the added power and ...

The drilling rig is a fully hydraulic driven power head type drilling rig. The hydraulic motor, pump, and quick connector of the drilling rig are made of international products, while other main ...

YDX-1200 surface core drilling rig is one kind of hydraulic top drive rotary head type drilling rig which is mainly used in diameter diamond drilling of metal and nonmetal solid deposit ...

China Hydraulic anchor crawler drilling rig catalog of Ygl-50q Hydraulic Anchor Crawler Senegal Water Well Drilling Machine Rig, High Performance Surface Core Drill Rig Diamond Core ...

The YG-50 engineering drilling rig is a fully hydraulic driven power head drilling rig. Suitable for the construction of large tonnage prestressed anchor holes, drainage holes, tunnel mouth pipe ...
