

Singapore Screw Air Compressor Co Ltd

What types of air compressors are available in Singapore?

Here at GWT Enterprise, we are offering various types of air compressor in Singapore including an oil-free air compressor and a screw air compressor. Typically, diesel or electric motors power the air compressor. If you are looking for a specific type of air compressor for your operation, feel free to reach out to us so we can assist you.

Who is Shanghai screw compressor?

Shanghai Screw Compressor Co., Ltd. is committed to the research and development, manufacturing, sales and service of air compressor. In the earlier stage, SCR take use of Germany technology to build compressor. In 2018, SCR become a joint venture company with Japan Anest Iwata, which introduce technology and quality management system from Japan.

What is a rotary screw air compressor?

The entire rotary screw air compressor is designed to run at high speeds while delivering a high flow rate in a compact package. Due to its heavy duty and high performance nature, this type of screw air compressor is often used for hazardous or rugged working environments. It also lasts quite long with regular maintenance.

What is oil-free air compressor & screw air compressor?

Oil-free air compressors and screw air compressors follow this principle. Utilising centrifugal force, the kinetic energy is transferred. This method is responsible for creating pressurised air inside the air compressor tank.

What is a preair oil free screw compressor?

Preair oil free screw compressors adopt the two stage compression technology, which not only increases the efficiency of compression, but also avoids the negative influence from the high discharge air temperature and increases the reliability and running life of air end.

Why should you use Beng Chuan air compressors in Singapore?

Using Beng Chuan air compressors in Singapore promotes the utmost efficiency when it comes with energy use. This is because of the low-speed rotor system which reduces oil flow resistance and decreases an outbreak of heat. Air compressors, especially the items we have here in Beng Chuan Singapore, offer greener solutions.
