

Small hydraulic rock drill rental price

Where can I rent a drill rig?

Currently, our available stock of drill rig rental equipment includes: Mobile Drill Intl, GTechDrill, VersaDrill Canada, Diedrich Drill, and more as well as various support equipment. Rig Source is experienced with shipping rental drill rig and rental crawler carrier units throughout the US and Canada, and has competitive weekly or monthly rates.

Why should you rent a drilling rig?

In the dynamic drilling industry, there is nothing more important than high-quality equipment rentals. Drill rig rentals not only provide flexibility but also ensure that drilling contractors are getting the latest and best equipment without the complexities of owning a rig.

What is a rock drill used for?

Rock drills are tough, versatile and dependable. They are lightweight tools for drilling holes for anchor bolts and small dowel hole drilling. This rock drill is between 50-59 lbs., with ergonomic single-lever throttle controls for easy use. It can deliver up to 2,100 blows per minute (bpm) to get through the toughest materials.

What types of drilling equipment do you offer?

We offer rental drilling equipment that brings high value to customers at competitive rates. There are various types of drilling equipment, including coring, exploration, direct push, geotechnical, and environmental. This equipment is tough, durable, and brings incredible performance in every endeavor.

Where can I rent a power tool?

The proper power tool can make almost any DIY or professional project easier. The Home Depot Tool Rental Center offers an extensive array of power tools, including drills, circular saws, impact drivers and more. You can also find many other power tool rentals such as sanders and planers.

What is a direct push drilling rig?

Direct push drilling rigs are machines that use a hydraulic hammer drill to penetrate the ground. These are useful for collecting soil and groundwater samples without the need for rotary drilling. We offer a range of models for varying depths and needs from Geoprobe rigs.

Traxxon is a leading supplier of surface drill rigs from Sandvik in Canada, providing precision rock drilling equipment for challenging applications.
