

South Africa Photovoltaic DTH Drilling Rig Rental

Which drilling machines does PGE offer in South Africa?

Below are the Drilling Machines which PGE has to offer on a rental/hire basis in South Africa. We offer very competitive prices on the Surface Drills for hire. All Machinery hired includes an operator Sandvik DX800 T4 Specification Sheet

What is a DTH drilling rig?

This DTH unit has a unique rock drilling capability and is very popular in South Africa. This down-the-hole(DTH) drilling rig is designed for percussion drilling in hard rock. This drilling rig is fitted without a compressor on-board the same carrier. It requires a separate compressor to drive the hammer and bit combination.

What is an Elgi DTH rig?

An on-board ELGI compressor is also fitted onto this same truck carrier to make it an all in one DTH system. This DTH unit has a unique rock drilling capability and is very popular in South Africa. This down-the-hole(DTH) drilling rig is designed for percussion drilling in hard rock.

Can a DTH OBC rig be used with a percussion rig?

This DTH OBC (on-board compressor) rig is also capable of drilling with both percussion and auger and has proven to be a very productive powerline construction drill. An on-board ELGI 14 bar compressor is also fitted onto this same truck carrier truck. We supply the market-leading Hotline(TM) Reverse Circulation rigs.

Who makes a drill rig?

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. Typically these are mounted onto either trucks, tractors or crawler tracks, but we have successfully supplied customised rigs for many applications.

What drilling rigs do you use?

Our common drilling rigs are the 310RC, 510RC and 620RC units. They are built to handle either 3m, 5m or 6m long Drilling Rods. They have a pullback force of 10 ton or 20 ton with the hold back feature as standard. We mount these units on trailers, trucks or crawler tracks depending on the requirement.

Main products: water well drilling rig, core drilling rig, DTH drilling rig, Solar pile driver, rotary drilling rig, anchor drilling rig, percussion drilling rig, etc.

Take advantage of flexible rental options that range from 1 to 36 months, all without the need for a long-term commitment Quick access to our state-of-the-art equipment, featuring the latest ...

South Africa Photovoltaic DTH Drilling Rig Rental

4. The drilling rig is mainly used for screw pile drilling, spiral hole drilling, rock DTH hammer drilling, screwing spiral rod, widely used in various solar photovoltaic ...

SWD series down-the-hole drills are widely used in blasthole drilling applications for surface mining, construction and quarries. Hole diameters range from 138mm to 255mm ...

Down-the-hole D460A drill rig: handles 115-152mm holes up to 35m deep, with a Cummins engine, heavy-duty boom, and hydraulic feed. Includes a 2000 ...
