

Swiss engineering drilling rig manufacturer

Who makes Comacchio rigs?

This makes Comacchio the largest manufacturer of small drilling rigs worldwide. As general agent of Comacchio S.r.l. for the Swiss market, you can obtain all equipment, spare parts and products from us. Are you still looking for the right accessories? Learn more about our product range. We always have the right accessories for you in stock.

What is a Schramm drill rig?

Schramm drill rigs are built your way, delivering maximum performance, reliability and operating efficiency in the most extreme environments. Get the edge you need to stay ahead of the competition. Schramm AirDrill Hammers & Bits provides purpose-designed, high quality RC hammers and equipment to a select group of customers.

What is a drilling rig?

Drilling rigs. Our drilling rigs are used for drilling oil and gas wells, geothermal wells, for deep water drilling, or salt deposits. UPET rigs are capable of drilling down to 6 kilometers depth, and the lifting capacity is up to 300 tons. Rigs are installed on chassis with 5-8 axles or semitrailers, we use conventional or electric engines.

Who makes EGT rigs?

We supply the Italian based rig manufacturer EGT. With over 20 years experience the company has a history of designing and manufacturing drilling rigs for both vertical and horizontal markets. Meeting current EU regulations we can offer rigs sizes that range from 35 to 400 tons of pullback.

Who makes trenchless rigs?

Our knowledge of the trenchless products we offer to market comes from industry experience working with moles through to Maxi HDD rigs, pipe ramming hammers and auger boring rigs. We supply the Italian based rig manufacturer EGT.

What kind of drilling equipment does Upet offer?

UPET is one of the leading drilling equipment manufacturers in Europe. We offer: Mobile drilling and workover rigs of 150 - 1500 HP (30 - 300 tons) capacity. Specialized drilling equipment - rotary tables, traveling blocks, hydraulic swivels, sheaves, mud pumps, masts (derricks), and other components for drilling rigs.

Drill rig manufacturer you can count on for quality geotechnical products, drill rigs, test rigs, underpinning and compaction grouting equipment.

Swiss engineering drilling rig manufacturer

UPET is one of the leading drilling equipment manufacturers in Europe. We offer: Mobile drilling and workover rigs of 150 - 1500 HP (30 - 300 tons) capacity. Specialized drilling equipment - ...

Enggpro presents the most comprehensive database of the Top Onshore or Land Drilling Rig manufacturers, suppliers and exporters in India, USA, Middle East, Canada and Other Asian ...

our services Our professional engineers have years of proven experience in analyzing, designing, and manufacturing drilling structures and equipment. ...

Rig Technologies comprises two parts: Rig Equipment and Aftermarket Operations. Our Rig Equipment team engineers and manufactures drilling rigs, ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Power Distribution Engineering Jelec complete engineering solutions reduce operational costs, increase safety, enhance drilling and equipment optimization / performance. Jelec's focus is on ...

Offshore Oil Rig Manufacturers specialise in offshore drilling and rig construction. These rigs drill into the ocean floor to extract oil or gas and ...

RDS Engineering Drilling Rig Manufacturers has a multi purpose dth cum rotary drilling for the following application water well drilling, dth drilling, borewell, ...

We are a trusted manufacturer and exporter of mining and DTH drilling machines, specializing in Water Well Drilling Rigs, DTH Drilling Machines, Drilling ...

Kiran Engineers is an ISO 9001:2015 certified company manufacturing top quality water drilling & mining rigs for more than three decades. Designed and ...

Drilling rigs are essential equipment in the oil and gas industry, used for exploration, development, and production wells. They are categorized ...

In the competitive world of drilling rig manufacturing, several key companies distinguish themselves through advanced technology and reliable, ...

UK drilling rig manufacturer Dando Drilling offers a wide range of machines and equipment for the water well, mineral and geotechnical sectors.

Wuxi Zhongjin Mineral Exploration Tools Co., Ltd.: Welcome to buy the best underground drill rigs, core

Swiss engineering drilling rig manufacturer

drill rigs, engineering drill rigs, core barrels and overshots, drilling accessories for ...

SWISSBORING OVERSEAS CORPORATION LTD. was incorporated in Switzerland in 1952 and established its Arabian Gulf Office, in Dubai, in 1973. It has since applied the specialized ...

Facilities and Capabilities Arabian Rig Manufacturing (ARM) is the largest integrated rig manufacturing, drilling equipment, and aftermarket facility to ...

Thor drill rig is a South African based drilling equipment manufacturing company. It's a family owned business that has been around since 1978 . We have built more than 700 units working ...

Find your drilling rig easily amongst the 791 products from the leading brands (SANY, SOILMEC, Hengwang, ...) on DirectIndustry, the industry specialist for your professional purchases.

1 hour ago· US firm unveils compact water-jet rig to slash geothermal drilling costs by 80% The startup's compact drill cuts geothermal drilling expenses, opening the door to wider adoption.

TERRA rock drilling rigs are equipped with advanced control systems that improve precision and efficiency. With a variety of drill heads and tools, rock ...

Kores Engineering offers complete drilling solutions to our customers. We provide expertise in designing, developing, and distributing high-precision equipment ...

Geothermal Drilling Rig KLEMM KR 805-3GW Our powerful drilling rig for probe drilling in near-surface geothermal areas (over 300 meters drilling depth possible). Flexible use in various ...

Energy Dais presents the most comprehensive list of the top Drilling Rig manufacturers in India, Middle East, USA & Canada. Choose from a list of 50+ ...

How Drill Rig Manufacturers Excel: A Comprehensive Guide When you think about massive construction projects, mining operations, or drilling for water wells, a key player in the ...

Kores Engineering offers complete drilling solutions to our customers. We provide expertise in designing, developing, and distributing high-precision equipment to various industry sectors.

UPET is one of the leading drilling equipment manufacturers in Europe. We offer: Mobile drilling and workover rigs of 150 - 1500 HP (30 - 300 tons) capacity. ...
