

# Tai Li Down-the-Hole Drilling Rig

Straight gear reducer, low temperature, high load, long service life; Rotation speed can be adjusted according to rock hardness; Rotating head with Eaton hydraulic motor, work stability; ...

TAIYE-D8-DTH Full Hydraulic Crawler Mounted Large Diameter Blast Hole Surface Down-the-Hole Drill Rig  
TAIYE-T45-TH Full Hydraulic Crawler Mounted Surface Top-hammer Drill Rig

TAIYE-D50 multifunctional surface DTH drilling rig is suitable for photovoltaic, mining, transportation and other infrastructure construction, and is your ...

TAIYE-400F-DTH Separated Crawler Mounted Surface Hydraulic Down-the-Hole Drill Rig TAIYE400F multi-function explosion-proof hydraulic drilling rig is ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

Rock Drilling There are three methods of rock drilling for production holes: Rotary high rotational speed, low torque and thrust low ...

TAIYE-370-DTH drilling rig is widely used in open-pit mines such as cement, metallurgy, coal mines, quarries, blasting hole drilling in railway, highway, water conservancy, hydropower and ...

2. Automatic rod change device of full hydraulic surface down-the-hole drilling rig The automatic drill rod library is equipped with bionic manipulator and rotary ...

TAIYE-360-DTH Separated Crawler Mounted Surface Hydraulic Down-the-Hole Drill Rig TAIYE-360-DTH drill rig is an economical drilling rig, which is suitable ...

TAIYE628-DTH is a hydraulic rig specially designed by TAIYE for customers who require a low price. Widely used for drilling blasting hole in metallurgical, ...

As a full hydraulic surface DTH rig machine with a cab, X5S possesses an automatic rod changer and dust removal system, which is suitable for open-pit ...

TAIYE-360-DTH Semi-Hydraulic DTH drill TAIYE--360 DTH drill is an economical drilling rig, which is suitable for drilling holes in hydropower, building materials, metallurgy, large and ...

Down-the-hole, or DTH drilling allows for reaching greater depths with the hammer located right behind the

## Tai Li Down-the-Hole Drilling Rig

drill bit. Robit is a leader in DTH products.

DTH drilling rig, short for Down-The-Hole drilling rig, is a cornerstone of modern drilling technology. Renowned for its efficiency, precision, and versatility, this equipment has ...

Taiye 660+-DTH is a small integrated surface hydraulic down-the-hole drilling rig equipped with a two-stage screw air compressor. Its hole range is 90 ...

The drilling hole range of TAIYE-X6A-DTH is 138-203mm. Working air pressure is 20-23bar, air displacement is 25m<sup>3</sup>/min is suit for open-pit mining, quarries ...

In down-the-hole drilling a drill rod is fitted with a hammer at its lower end. The hammer, which is mounted on the drill bit, is activated through the addition of compressed air and driven into the ...

What is DTH Drilling? DTH is short for "down-the-hole", its name originated from the fact that the percussion mechanism followed the bit down into the hole. ...

Blasthole rigs and drills don't need much explanation. They're used for drilling a hole into the surface of the rock, packing the hole with explosives and then ...

TAIYE-X6A full hydraulic crawler mounted surface blasting drilling rig The drilling hole range of TAIYE-X6A-DTH is 138-203mm. Working air pressure is 20 ...

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

Taiye 670-DTH is a small integrated surface hydraulic down-the-hole drilling rig equipped with a two-stage screw air compressor. Its hole range is 115-152mm, ...

TAIYE-370-DTH drilling rig is widely used in open-pit mines such as cement, metallurgy, coal mines, quarries, blasting hole drilling in railway, highway, ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. Typically these are mounted onto ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...

## Tai Li Down-the-Hole Drilling Rig

TAIYE 's DTH rig machine has high reliability, adaptability, and safety for extreme working environments. They are suitable for blasting perforation of soft rocks, ...

High quality is the guarantee of long service life. Taiye's components follow strict quality inspection standards from raw material procurement to manufacturing genuine Taiye's ...

TAIYE-D6-DTH Full Hydraulic Crawler Mounted Large Diameter Blast Hole Surface Down-the-Hole Drill Rig TAIYE-D6-DTH is a high-efficiency integrated ...
