

Tongren water well drilling rig factory direct sales

What are the Hot-sell drilling rigs in YG machinery?

The mining drilling machine is another hot-sell drilling rig in YG Machinery because it can be widely used in water well drilling, geophysical exploration, road and building exploration, blasting holes, and other drilling projects.

What is a water well drilling rig?

A water well drilling rig is most used in the drilling of soil and soft rocks. The water well drilling machine becomes a hot seller in YG Machinery Co., Ltd thanks to its fast drilling speed, ease of moving around, and cost-effectiveness.

What types of drilling rigs does YG supply?

According to drilling depth, opening hole diameter, and applying site, YG supplies many different types of drilling rigs, such as water well drilling rigs, DTH drilling rigs, mining drilling machines, core drill rigs, piling rigs, exploration drilling rigs, and crawler drilling rigs, etc.

What is a drilling rig?

The drilling rig is a kind of machinery that is widely used in drilling boreholes and rocks. It provides great convenience for geological exploration, engineering construction, water well drilling, and road and bridge foundation construction.

What are the different types of water well drilling rigs?

There are mainly six types of water well drilling rigs for you to pick up: portable water well drilling rigs, small water well drilling machines, tractor-mounted water well drilling rigs, hydraulic water well drilling rigs, shallow water well drilling equipment, and deepwater drilling rigs.

What is a DTH drilling rig?

DTH drilling rigs are a new type of energy-saving and high-efficiency rock drilling equipment that can be widely applied to large-diameter blast hole rock drilling operations in medium and small-scale mines and road construction, national defense, water conservancy, and stonework.

Zb450s High-Quality Tracked Water Well Drilling Rig, Factory Direct Sales, Find Details and Price about Drilling Machine Rock Drill from Zb450s High-Quality Tracked Water Well Drilling Rig, ...

In addition, it can also be used for engineering geological survey, hydrogeological survey, census and exploration of oil and gas fields, and well drilling. Because the core drilling rig is required ...

Drilling rig is mainly used for geological general investigation and exploration, road and tall building

Tongren water well drilling rig factory direct sales

foundation exploration, kinds of hole in concrete structure, river levees, sub-grade grouting hole ...

BANGXIN water well drill rig adopt multi-function full hydraulic control, top power head drive rotary, high drilling efficiency. The overall layout reduces the overall dimensions to meet the ...

Key attributes Type water well drilling rig Power Type Diesel/Gasoline Use Water Well Voltage 220V, 380V Drilling Diameter 70mm, 100mm, 150mm, 220mm Drilling Depth Max.200m Place ...

Learn about our factory Dongheng specializes in the research, development, and manufacture of various drilling rigs and their accessories, offering a comprehensive product line. Deeply ...

Other attributes Place of Origin China Weight 4500.0 KG Warranty 1.5 years Core Components Engine Key Selling Points Competitive Price Machinery Test Report Provided Video outgoing ...

1. This drilling rig is a high-speed drilling rig suitable for general survey exploration, geophysical exploration, road and construction exploration and blast hole drilling projects. 2. Drill bits such ...

\$4,500.00 Min. order: 1 set 60m 120m 200m 240m Hydraulic Deep Hole Water Well Drilling Rig Water Well Drilling Rig \$6,500.00-11,500.00 Min. order: 1 set High Quality Second Hand ...

Mining Drilling Machine for Sale The mining drilling machine is another hot-sell drilling rig in YG Machinery because it can be widely used in water well ...

Dive into our online wholesale water well drilling rigs products catalog on globalsources ! Source over 46 water well drilling rigs for sale from manufacturers with factory direct prices, ...

Key attributes Type Drilling Rig Power Type Diesel Use Water Well Voltage 220V, 380V Drilling Diameter 40mm, 140mm, 150mm, 120mm, 70mm, 350mm, 90mm, 80mm, 400mm, 180mm, ...

For example, in some places with limited indoor space such as basements and low industrial factories, ordinary drilling rigs cannot enter due to height limitations, while ultra-low-altitude ...

The water well drilling rig can efficiently complete well - digging in different strata, ensuring a stable water supply. The core - drilling rig can accurately obtain rock core samples to assist in ...

Shandong Huida Construction Machinery Co., Ltd., Ltd. is a trusted leader in the drilling equipment industry, specializing in the design and manufacture of high-performance drilling ...

Our remarkable product portfolio boasts cutting-edge oil and gas drilling rigs, water well drilling rigs, rock core drilling rigs, automotive drilling rigs, and deep well water pumps, all ...

Tongren water well drilling rig factory direct sales

Key Selling Points Easy to Operate Brand Name YG Dimension (L*W*H) 2550*900*1350mm Machinery Test Report Provided Video outgoing-inspection Provided Mobility movable Product ...

Suitable for railway, water conservancy, bridge, dam foundation and other buildings of well drilling, geological survey, geological core drilling, small grouting hole, blasting hole, according to the ...

WH-50 This drilling rig is mainly used for geothermal drilling, farm irrigation, house yard, gardens and water well drilling. It also can be used in small building piling, such as farm house or ...

Product descriptions from the supplier Warning/Disclaimer This product has acquired the relevant product qualification (s)/license (s) of certain applicable country/countries. View more Products ...

Small crawler self-propelled 150m pneumatic drilling rig can be applied to various strata, used in water well engineering, geothermal well, anchor pile hole and so on, and can be used with ...

The GKL200 water well drilling rig shines with its lightweight build, superior efficiency, and multifunctional capabilities, making it the preferred choice for industrial, civilian, and ...

1. hydraulic rotary drilling rig/trailer mounted water well drilling rig/borehole drilling rig a. the machine is equipped with crawler chassis device, easy to move with fast speed. b hydraulic oil ...

Key attributes Type Rotary Drilling Rig Power Type Diesel Use Water Well Voltage 220V Drilling Diameter 50-300mm Drilling Depth Max. 260m Place of Origin Shandong, China Weight 2500 ...

Key attributes Type water well drilling rig Power Type Diesel Use Water Well Voltage 220V Drilling Diameter 50-300mm Drilling Depth Max. 150m Place of Origin Shandong, China Weight 2000 ...

As a dedicated manufacturer, we excel in the design, development, production, and sales of an impressive array of drilling rigs. Our remarkable product portfolio boasts cutting-edge oil and ...

Before the establishment of the company, we have 15 years of experience in equipment sales and service and have more than 15 years of experience in design and manufacturing, mainly ...

Shandong Beyond Petroleum Equipment Co., Ltd. was established in year 2016 and certified by ISO9001. Its main business scope is to supply drilling equipment and spares for overseas ...

This machine is a wide range of uses of portable drill. Suitable for railway, water conservancy, bridge, dam foundation and other buildings of well drilling, geological survey, geological core ...

Tongren water well drilling rig factory direct sales

Our water well drilling machine are mainly used for well drilling in resource exploration hydrology wells, civil usage water well, agriculture irrigation project, and can also be used for coal-mine ...

Find verified Factory Direct Sales Water Drilling Rig Hydraulic Engine Mine Drilling Rig 150m suppliers and manufacturers offering competitive wholesale prices. Browse detailed specs, ...

Product name Water Drilling Machine Application Water Wells Rock Drill Rig After-sales Service Provided 24h Online Support Engine Brand
