

Wanyuan down-the-hole drilling rig sales

What is a down-the-hole drill rig?

The rock drilling principle of a down-the-hole drill machine is the same as a heavy-duty rock drill rig. The difference is that the impact mechanism of the down-the-hole drill - is a down-the-hole impactor. It is installed at the front end of the drill rod, and at the bottom of the manhole.

Who makes the best DTH drilling rigs?

As one of the most professional DTH drilling rig manufacturers. YG Machinery has developed and produced a series of down-the-hole drilling rigs of different models. And almost all have become hot-selling models. In addition, our down-the-hole drilling rigs are sold to many countries and regions in the world.

What is a crawler down-the-hole drill machine?

The crawler down-the-hole drill machine is currently a large-scale rock drilling equipment in general use. The down-the-hole drill rigs are actually rotary percussion drill equipment. The impactor is directly submerged into the bottom of the hole to drill the rock.

What is a YGL drill rig?

YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa. YGM type medium-pressure down-the-hole drill rig: left and right walking pressure: 17~18MPa, advancing pressure 12~16MPa, rotation pressure 10~14MPa.

What is the pressure of YGL drill rigs?

The pressure of all the company's drill rigs has been set before leaving the factory: YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa.

The water well drilling rigs for sale timely adjustment propulsion size, to make hydraulic rock drill rotary resistance timely down torque of the rotating ...

Down the hole drilling machine is known as a portable drilling rig or tripod drilling rig. There is a variety of models for DTH drilling machines for sale in YG Machinery. The equipment mainly ...

DTH Drilling Rig Yugong Brand DTH Drilling Rig Machine is applicable to small and medium-sized mines and road construction, defense and water conservancy and stone works in the large ...

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines, stonework projects, road construction, and other scenarios. It is also called a shallow ...

The "Down-the-Hole" or DTH hammer is used for drilling holes through a wide range of rock types, the

Wanyuan down-the-hole drilling rig sales

variety of which continues to extend well beyond the original conception of early blast hole ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. ...

CENTER ROCK products boast a formidable range of down-the-hole (DTH) hammers, presenting a suite of drills and downhole bits spanning 3.5"- 48" ...

Borehole Drilling Machines SA Importers Direct is an importer and distributor of quality Down the hole borehole drilling machines and horizontal drilling ...

YG Machinery's wide range of drilling rig machines, designed for water well drilling, geothermal drilling, and construction projects. Click!

Full hydraulic down-the-hole (DTH) drilling rig is a drilling rig for sale that uses oil pressure to drive and control all moving parts in the process of adjusting the ...

Down the hole drill rig, also known as DTH drilling machine, is applied in mining, engineering, quarrying, geotechnical investigations, etc.

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

Used drilling rigs for sale across Australia including geotechnical, blasthole, underground, multipurpose, and RC rigs. Licensed broker and experienced ...

The water well drilling rigs for sale timely adjustment propulsion size, to make hydraulic rock drill rotary resistance timely down torque of the rotating mechanism slightly lower. Performance of ...

Search for used down the hole (dth) mining drilling rigs. Find Zhongtuo, Anbit, Atlas-Copco, Epiroc, and Drill pipe for sale on Machinio.

The RC140Y down the hole drilling machine is an efficient and multi-functional drilling rig in harsh environments. It can drill to a depth of 62 meters and have ...

The history of the down-the-hole hammer manufacturing goes back more than four decades. For the past 40 years and still today, our goal is to produce the best products for our customers. ...

Down the hole drilling rig is to make the impactor dive into the hole in the process of rock drilling to reduce the energy loss caused by the transmission of the ...

Wanyuan down-the-hole drilling rig sales

The down-the-hole drilling rig uses the impactor and the DTH drill bits submerged into the bottom of the hole to impact and crush the rock. Therefore, it is called ...

The Drill Source database of drill rigs suitable for Reverse Circulation, Down Hole Hammer, Diamond Core, Sonic, Geothermal, Geotechnical, CSG, Environmental, Oil and Gas, Water ...

TerraRoc Down the Hole or DTH hammers offer superior efficiency in precision and time per drilled hole with hammers purpose-matched for all rock types and applications. DTH hammers ...

The YGS series down the hole drilling machine are heavy-duty crawler drilling rigs developed by YG Machinery for high-intensity geological environments, which are suitable for hard rock, ...

The Small DTH (Down The Hole) Drilling Rig is a compact, mobile drilling machine designed for drilling deep and precise holes in a variety of geological conditions. These rigs are particularly ...

AdvantagesThe down the hole drilling rig delivers strong power with low fuel consumption and flexible speed control, adapting to various working conditions. The integrated air compressor ...

Down-The-Hole (DTH) Hammers have become the industry standard for the rapid drilling of boreholes for a variety of uses such as water wells and blasting.
