What is the difference between delmag and soiltek drilling rigs?

Delmag drilling rigs have heavy-duty cat carriers with impressive torque and crowd capabilities, designed for hard drilling conditions and large diameter applications. SoilTek drilling rigs offer solutions to all requirements in the drilling and small diameter piling fields, including restricted access work.

Can Oasis drill rigs be used in the heaviest terrain?

Due to its track driven platform the drill rig can be deployed in the heaviest terrains. Rent from Oasis and cut days or even weeks off your project timeline saving you over twenty thousand dollars on average per well. Transporting the OA900 Crawler doesn't require special permitting or the use of a 9-axle truck.
