

What is the rock drill at Lianhua Mountain called

Is Lianhua a good place to hike in Shenzhen?

Lianhua Mountain is also a hot spot for casual hiking in Shenzhen. Because the altitude is not high, it is far less difficult than the Wutong Mountain. There are many tree-lined hiking trails in the northwest and north of the park. There are also two hiking trails on the south slope of the main peak that lead directly to the peak.

What to do in Lianhua Xiaoping?

Lianhua Mountain or Lianhuashan Park is covered with a large number of tropical and subtropical plants forming a natural oxygen bar in the city center. There are mountains, trees and lakes making it suitable for relaxing, walking, sports and climbing. In the Peak Park, you can also look at the bronze statue of Deng Xiaoping.

What to do in Lianhuashan Park?

Lianhuashan Park has very convenient transportation. The Guanshanyue Art Museum near the south gate of the park and the surrounding Shenzhen Convention and Exhibition Center often have good exhibitions and can be enjoyed together.
