

Wuxi crawler down-the-hole drill rig

Find verified Ks669 Crawler Type Down The Hole Drilling Rig suppliers and manufacturers offering competitive wholesale prices. Browse detailed specs, bulk order options, and ...

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

Product Profile YGL-180GM is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine ...

YGL-50Q is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for vertical or ...

Looking for a good deal on down the hole drilling rigs? Explore a wide range of the best down the hole drilling rigs on AliExpress to find one that suits you! Besides good quality brands, you'll ...

JINFAN is China crawler drilling rig manufacturer. YGSL-120R hydraulic dual top drive crawler geothermal crawler drilling rig is ideal for a variety of drilling ...

YGL-150Q is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for vertical or ...

Application YGL-180G crawler type engineering drilling rig is a drilling equipment that is loaded on a crawler chassis, fully hydraulic driven, and suitable for multi angle and multi-directional drilling.

Epiroc offers the most comprehensive line of rotary blast hole drilling rigs in the industry. With a multitude of configurations to choose from you can find the ...

The drilling rig is equipped with the crawler leveling function, which makes the center of gravity of the drilling rig more stable up and down the slope, and the ...

Discover high-quality drilling solutions with Sinocoredrill, a leading China manufacturer of drilling rig equipment and accessories. Our extensive range ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include augering and down-the-hole rigs. Typically these are mounted onto ...

YGL-180G is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis,

Wuxi crawler down-the-hole drill rig

driven by full hydraulic system which is the common ...

Down The Hole Hammer Drill Rigs for Mining, the ZEGA D470A's diesel-powered, down-the-hole (DTH) drill has excellent mobility, a smaller footprint and the ability to serve multiple sites. It is ...

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

Product Profile YGL-50Q is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for ...

GL726 crawler down-the-hole drill carriage is mainly used for drilling blast holes in open-pit projects such as mining and quarrying, road construction, water ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

MXL-150C Deep Foundation Crawler Drilling Rig is a high efficiency drilling rig mainly for anchoring, jet-grouting and dewatering, which is well designed and produced by Wuxi Anman ...

Product Profile YGL-220RC is mounted on a crawler chassis, driven by full hydraulic system, power head type drilling rig, which is used to drill vertical or inclined hole, and also the drilling ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface mining and ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing system and ergonomic cab. It integrates a DTH drilling system with a screw air ...

The drilling rig is fully hydraulic driven and can achieve stepless speed regulation. It is easy to operate, easy to maintain, and has fewer vulnerable parts. Drilling rigs can be used with ...

Product Profile YGL-150Q is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for ...

GL726 crawler down-the-hole drill carriage is mainly used for drilling blast holes in open-pit projects such as mining and quarrying, road construction, water conservancy and electric power.

Wuxi crawler down-the-hole drill rig
