What is XCMG 300m China well drilling rig?

XCMG 300m China Well Drilling Rigs Machine XSL3/160 . XCMG XSL3/160 series deep (water) well drilling rig uses full hydraulic control and the top drive to drive the rotation of drilling tools with very high drilling efficiency. Reasonable overall layout uses the tractor-mounted or all terrain chassis for transportation with good maneuverability.

What is XCMG water well drilling rig xsl3-160?

XCMG water well drilling rig 300-meter machine XSL3-160 uses full hydraulic control and the top drive to drive the rotation of drilling tools with very high drilling efficiency. Reasonable overall layout uses the tractor-mounted or all-terrain chassis for transportation with good manoeuvrability.

What makes XCMG xsl3/160 a good drilling rig?

XCMG XSL3/160 series deep (water) well drilling rig uses full hydraulic control and the top drive to drive the rotation of drilling tools with very high drilling efficiency. Reasonable overall layout uses the tractor-mounted or all terrain chassis for transportation with good maneuverability. Very flexible in difficult roads.

What is XSC/XSL drilling rig?

XSC/XSL series deep (water) well drilling rig uses full hydraulic control and the top drive to drive the rotation of drilling tools with very high drilling efficiency. Reasonable overall layout uses the tractor-mounted or all terrain chassis for transportation with good maneuverability.

What is xsl1000e deep well drilling rig?

XSL1000E deep well drilling rig adopts full hydraulic control, top drive and crawler travel. With reasonable overall layout, it has high drilling efficiency, is suitable for air or mud drilling technology, and is widely used in water well, geothermal, coal bed gas, and emergency rescue drilling projects.

What does XCMG offer?

Selections include items that can be ordered individually or in larger quantities for corporate purchases. Great products deserve great support. XCMG offers a complete range of support: technical service, replacement parts, and robust warranties- all with a commitment to keep our equipment in the field up and running.

The goods are out of stock for the time being. Please enter your Email below. When we have the spot supply, we will send you an email to inform you! \*E-mail: Submit Product: XCMG ...
