Who is Oasis drill rig rental?

Oasis Drill Rig Rental's core business is well drill rig rentals & seismic geophysical tests to ensure that your well drilling project is successful!

Why should you rent drilling equipment from rig source?

Renting drilling equipment from Rig Source minimizes any concerns of maintenance, depreciation, and storage, allowing the drilling professionals to solely focus on their drilling projects. At Rig Source, many of our clients prefer rentals over new equipment because we have much more availability in our fleet.

What is a core drill rig?

A core drill rig is a specialized piece of equipment for core sampling. They allow professional drillers to extract a piece of the ground by drilling cylindrical holes in the surface, simplifying the drilling process and eliminating the need for purchasing specialty equipment.

Where can I rent a Geoprobe rig?

Geoprobe®; Rig Rentals are available for daily rentals, weekly rentals, monthly rentals and long term rentals. Pick up at our Hamilton, NJ location or we can deliver to your shop or jobsite. Trailer rentals also available. Our on staff licensed well drillers have extensive Geoprobe®; operating experience.

What is an environmental drill rig?

Environmental drill rigs are a tool to investigate environmental conditions at a construction site. These rigs are important for identifying areas of soil or groundwater contamination and making sure that projects align with environmental regulations. Our rig rental options include brands like Diedrich, CME, Mobile Drill, and more.
