

# Xichang open-pit down-the-hole drill rig

Find verified Open Pit Blasting Hole DTH/RC Multifunction Drilling Rig/Down The Hole Drill suppliers and manufacturers offering competitive wholesale prices. Browse detailed specs, ...

Go to [Tzpilemachine](#) for our high precision and high quality open-pit down-the-hole drilling rigs. Factory price open-pit down-the-hole drilling rigs, etc.,

**KT12 Integrated Down the hole Drill Rig**The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

The KT25 integrated down the hole drill rig for open use can drilling vertical,inclined and horizontal holes,mainly used for open-pit mine,stonework blast holes and pre-splitting holes,It is driven ...

The integrated open-pit down-the-hole drilling vehicle is an advanced drilling equipment that integrates the down-the-hole drilling system and the screw air ...

The KG410/KG410H down the hole drill rig is particularly suited for operation in open pit mines and stone quarries. It comes equipped with a Yuchai four-cylinder engine (China III) and ...

**KT9C Integrated Down the hole Drill Rig for Open Pit Mines and Quarries** KT9C integrated surface DTH drilling rig is efficient and energy-saving advanced drilling equipment which is ...

1. Using its single power to drive the screw air compressor and drilling rig hydraulic system at the same time, compared with the separated DTH drilling rig, the comprehensive fuel consumption ...

**XDYX 452T/452H Integrated DTH Surface Drill Rig** 1. Brief Introduction The XDYX-421TA series crawler open-pit down-the-hole drill is a new compressor integrated drill developed inresponse ...

**KH712D open-pit down-the-hole drill** adopts new hydraulic technology and is a powerful assistant for rock drilling in open-pit mining, road construction, water conservancy, power stations and ...

**DMiningwell 416T-1 small split down-the-hole drill rig** is mainly used in quarries, cement mines, open-pit coal mines and other types of mines. It is equipped with a 3.5-inch impactor, a main ...

**ZGYX420D split open-pit down-the-hole drill rig mining equipment** As the key equipment for modern mining and infrastructure construction, ZGYX-420/420-1/420D series split open pit ...

**Description** The KT7C high air-pressure down the hole drill rig for open use is an advanced drilling device

## Xichang open-pit down-the-hole drill rig

integrating a down the hole drilling system and screw air compression system. ...

As a main mining drill, ZGYX-420/416-1 split open-pit downhole drill is widely applied in the mining site. The matched auxiliary power standard of this DTH drilling rig is divided into two models: ...

The most productive drill available for rotary tricone and down the hole drilling of 171mm to 270mm (6-3/4" to 10-5/8 ") holes with up to 59 ft (18 m) clean hole ...

The KG9 down the hold drill rig is designed for open pit mines and quarries for drilling holes with a diameter of  $\varnothing$ 105-152mm in vertical, inclined, and horizontal orientation.

The KaiShan KZ5 open-pit down-the-hole drill rig integrates drilling, automatic rod loading and unloading into one compact and highly mobile unit. Specifically designed for open ...

It can drill vertical, inclined and horizontal holes, used for drilling and pre-splitting holes in open pit mines and stone works, etc.

The D470A down-the-hole open pit drill rig, crafted for challenging conditions and strenuous tasks, is ideal for extensive rock drilling, excelling in everything from pre-split to ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

Professional Open-Pit Mining Drill Rig Precision Positioning Rod System, Find Details and Price about Down The Hole Drilling Machine Blasthole Drilling from Professional Open-Pit Mining ...

Down-the-hole drill DTH drill tool operated with drilling mud (Drillstar MUDHammer) A down-the-hole drill, usually called DTH by most professionals, is basically a jackhammer screwed on the ...

The ZT10 integrated down the hole drill rig for open use is a new drilling device developed by Kaishan Group after years of development and production of ...

pressure measurement holes and drainage holes. 2. Features:(1) The XD421TA integrated down-the-hole drill uses a double-cycloid hydraulic motor-driven rotary head with high torque and ...

XQZ229 surface down-the-hole drill rig is a large-sized integrated down-the-hole drilling machine mainly developed for open-pit mines, which can complete the ...

KT7C Integrated Down the hole Drill Rig for Open Pit Mines and QuarriesThe KT7C high air-pressure down the hole drill rig for open use is an advanced drilling device integrating a down ...

## Xichang open-pit down-the-hole drill rig

KT7D Kaishan Mine Drilling Rig With Air Compressor Integrated KG510/KG510H DTH Surface Drill Rig for Open Use KG9 Down the hole Drill Rig Designed for Open Pit Mines and Quarries ...

The KG320/KG320H down the hole drill rig blast drilling rig for open use is an improved device in compliance with national regulations on environmental ...

Pdkj 847 Crawler Full-Hydraulic Open Pit Portable Drill DTH Blast Holes Integrated Drilling Rig, Find Details and Price about Down The Hole Drill Rig Hydraulic Drill Rig from Pdkj ...

Open-pit mining Surface down-the-hole drill rigs MWYX-420 separated DTH drilling rig is equipped with a dual-motor rotary head and a rotary speed-adjustable ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

We're professional down the hole hammer drill rigs for mining (mines) manufacturers and suppliers in China, specialized in providing high quality products and service. We warmly ...
