

## Xy-180 core drilling rig

Specifications GM XY-180 Core Drilling Rig 1.failure is low, 2.the parts and durable 3. long service life 4.outstanding performance GM XY-180 Core Drilling Rig Main Features Easy operation ...

Product Description XY-100 Core Drilling Rig: Used for general investigation, geophysical exploration, high-way and building construction, and blast-hole ...

1 - Applications of XY-180 core drilling rig The XY-180 drilling rig is designed on the basis of the XY-1A drill. It is a low speed and high torque portable drilling machine with oil pressure.

XY-1A core drilling rig is equipped with a ball clamping mechanism and a hexagonal active drill pipe, which can reverse the rod without stopping the ...

The XY-180 hydraulic core drilling rig is designed on the basis of the XY-1A hydraulic core drilling rig. It is a low speed and high torque portable drilling machine with oil pressure.

This drill rig is suitable for engineering geological survey of railway, hydropower, traffic, bridge, dam foundation and other buildings, geological core drilling and physical investigation, drilling ...

The XY-180hydraulic core drilling rigis designed on the basis of the XY-1A hydraulic core drilling rig. It is a low speed and high torque portable drilling machine with oil pressure.

China 180m Deep Geotechnical Exploration Water Well Rig Drilling Machine XY-180, Find details about China Geological Core Drilling Rig from 180m Deep Geotechnical Exploration Water ...

Hydraulic machinery China, Geotechnical Drilling Rig, 1. Applications of XY-180 core drilling rig The XY-180 drilling rig is designed on the basis of the XY-1A drill.

china xy 180 core drilling rig manufacturers/supplier, China china xy 180 core drilling rig manufacturer & factory list, find best price in Chinese china xy 180 core drilling rig ...

XY-180 Hydraulic Core Drilling Rig/Electric Drills /Electric Power Tools/Electrical Equipment and SuppliesThe XY-180drilling rigis designed on the basis of the XY-1A drill. It is a low speed and ...

Product Description 1. Applications of XY-180 core drilling rig The XY-180drilling rigis designed on the basis of the XY-1A drill. It is a low speed and high torque portable drilling machine with oil ...

1, This drill for the high-speed drilling machine is suitable for the exploration, water well drilling, road and

## Xy-180 core drilling rig

building exploration, etc.2, Can be selected ...

core drilling rig 1 pact structure, 2.light weight,easy move 3.high efficiency 4.reasonable price XY-1A Core Drilling Rig is a light type machine at high ...

XY-180 Hydraulic hard rock drilling machine core drilling rig for sale from Chinese supplier, Shandong Huaxia Master Machinery Group CO.,. LTD.

1. This drilling rig is suitable for geological survey and exploration, geophysical survey, road and building foundation exploration, as well as drilling projects such as blasting holes and grouting ...

1 The XY-180 drill is designed on the basis of the XY-150 drill. It is a low speed and high torque portable drilling machine with oil pressure. 1 This drill is suitable for engineering geological ...

XY-44A Drill Rig is a versatile and stable-performance deep-core drilling machine. It is suitable for both alloy-sized and diamond-based core drilling and can be used in various construction ...

The mining drilling equipment uses wireline coring diamond drilling techniques to drill holes for coring. The modified equipment is the leading model for solid ...

XY-180 geological core sample drilling machine geological exploration drilling rig water well drilling rig machine for sale from chinese supplier, Shandong Master Machinery Group Co.,Ltd..

XY series hydraulic drilling rig is a light weight drilling rig. This product is widely used for generageological exploration of railway, road, bridge, ...

Water well drilling rig, etc. Crawler transport vehicle series: 0.6 tons, 1.5 tons, 2 tons, 3 tons, 4 tons and other models can be customized. Assembly: Gearbox assembly, rotor assembly, ...

1 - Applications of XY-180 core drilling rig Machine The XY-180 drilling rig is designed on the basis of the XY-1A drill. It is a low speed and high torque portable drilling machine with oil pressure. ...
