

Yulin Hydraulic Down-the-Hole Drilling Rig After-sales Service

What is a DTH rig machine?

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry operations, water well drilling, and construction projects, DTH rigs deliver unmatched performance in hard rock formations.

What is a down-the-hole drill rig?

The rock drilling principle of a down-the-hole drill machine is the same as a heavy-duty rock drill rig. The difference is that the impact mechanism of the down-the-hole drill - is a down-the-hole impactor. It is installed at the front end of the drill rod, and at the bottom of the manhole.

What is a YGL drill rig?

YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa. YGM type medium-pressure down-the-hole drill rig: left and right walking pressure: 17~18MPa, advancing pressure 12~16MPa, rotation pressure 10~14MPa.

What is a crawler down-the-hole drill machine?

The crawler down-the-hole drill machine is currently a large-scale rock drilling equipment in general use. The down-the-hole drill rigs are actually rotary percussion drill equipment. The impactor is directly submerged into the bottom of the hole to drill the rock.

What is the pressure of YGL drill rigs?

The pressure of all the company's drill rigs has been set before leaving the factory: YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa.

Who makes the best DTH drilling rigs?

As one of the most professional DTH drilling rig manufacturers. YG Machinery has developed and produced a series of down-the-hole drilling rigs of different models. And almost all have become hot-selling models. In addition, our down-the-hole drilling rigs are sold to many countries and regions in the world.

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

At present, the company's rock blasting drilling rigs, water well drilling rigs, diamond core drilling rigs, anchor drilling rigs and its Ingersoll Rand and the ...

Our down-the-hole drilling rig features high drilling accuracy and efficient performance, while the service life

Yulin Hydraulic Down-the-Hole Drilling Rig After-sales Service

is also guaranteed.

The down hole advancement of the tool and casing the bore hole or maintaining circulation when mud drilling is the task at hand and this is the one skill that makes us quite ...

Shandong Quanhua Technology Engineering Co., Ltd manufacturing and sales of kilometer drilling rigs, core drilling rigs, pipe thread lathes, import.

Introducing the Ks669 Crawler Hydraulic Down Hole Drilling Rig, a marvel in the world of mining and construction equipment. This state-of-the-art machine is meticulously engineered to ...

In down-the-hole drilling a drill rod is fitted with a hammer at its lower end. The hammer, which is mounted on the drill bit, is activated through the addition of compressed air and driven into the ...

Consists of integrated down-the-hole drilling rigs,full hydraulic open-pit drill carriages,multifunctional cutting drilling rigs, ground screw drilling rigs, down hhole rock drill jumbos ect. It is widely ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...

Rig Drill Products from Chinese suppliers. ECVV provides Rig Drill product China Sourcing Agent service and supply chain service to protect the product quality and payment security.

Cleaning your down the hole drill rig after use is an important part of its maintenance routine. By following the tips and techniques outlined in this blog post, you can keep your rig in good ...

Built for mobility and precise down-the-hole drilling in small to mid-scale construction sites, JC710 offers a balanced combination of compact design, efficient power transmission, and stable ...

This review is intended as a fundamental guide to various aspects of the technology, including drilling methodologies, flushing, drill hole ...

New and Used Drill Rig insights There are 30 Drill Rig for sale in Australia from which to choose. Overall 43% of Drill Rig buyers enquire on only used listings, ...

Discover expert solutions for borewell drilling, piezometer installation, and rainwater harvesting techniques. Enhance your water management strategies ...

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines, stonework projects, road construction, and other scenarios. It is also called a shallow ...

Yulin Hydraulic Down-the-Hole Drilling Rig After-sales Service

Product Introduction The machine is a light, efficient, multi-functional diesel hydraulic drilling rig, easy to use, short auxiliary time and other characteristics, suitable for drilling, monitoring Wells ...

This type of drilling rig is Chigo's traditional heavy-duty split drilling rig. Its super-strength, full-function design and high-level configuration are highly ...

Main feature: 1. The down-the-hole drilling rig is equipped with dual hydraulic rotary motors, enabling fast drilling speed and improved efficiency in rock drilling operations. 2. The compact ...

1. Using its single power to drive the screw air compressor and drilling rig hydraulic system at the same time, compared with the separated DTH drilling ...

Tirupati Enterprises (Unit of Tirupati Drilling Rig Pvt. Ltd.) has three decades of experience in the manufacture, distribution and sale of Down - the - hole ...

Down-the-hole (DTH) hammer drilling is often used to drill large, deep holes in hard rock formations or concrete. It is, as the name tries to explain, a hammer ...

A5, A5A Brand New A series Down-the-hole Drilling Rig Product Description The new A series drilling rig is an upgraded drilling equipment based on the ...

Currently, we have an after-sales service team of 53 enthusiastic people to provide after-sales support across almost all areas of Sunward's international ...

Down-the-hole drilling pipes Down-the-hole drilling pipes are engineered with cold-drawn seamless tubing material N80 to ensure straightness, thickness and high strength for a ...

Product Description High Rotation torque crawler hydraulic rock drilling machine drifter portable dth mine drilling rig JC880 hydraulic down-hole drilling rig is a ...

China Boom-type Down-the-hole Drilling Rig catalog of Hydraulic DTH/RC Down The Hole Drill/Hammer Drill/Rock Drill, Good Efficiency Down The Hole Drill ...

TAIYE Separated Hydraulic Down-the-hole Drilling Rigs is a very economical series of tractor mounted drilling machine. This series of tractor mounted rig have a wide range of applications ...

Down the hole drilling rig has a hydraulic wet dust removal system with adjustable water volume and water pressure, and water pressure alarm function. The rig ...

Yulin Hydraulic Down-the-Hole Drilling Rig After-sales Service

Full hydraulic down-the-hole (DTH) drilling rig is a drilling rig for sale that uses oil pressure to drive and control all moving parts in the process of adjusting the ...

Drilling Rig For Sale We offer a full range of drilling rigs serving the geotechnical, environmental, geothermal, core, oil and gas, water well and blast hole drilling industries. jk Drilling's ...

TAIYE Separated Hydraulic Down-the-hole Drilling Rigs is a very economical series of tractor mounted drilling machine. This series of tractor mounted rig ...
