What is Zhongman equipment?
Zhongman Equipment aims to "create the best oil drilling rig in China" by organizing experts and manufacturing teams to focus on research and development,actively innovate,and establish a competitive position in the field of oil equipment development through technological precipitation and sublimation.

Zhejiang Miningwell Supply Chain Management Co.,Ltd: With more than 20 years of experience in mining equipment production, D Miningwell has own production workshop and professional ...

Kores Engineering offers complete drilling solutions to our customers. We provide expertise in designing, developing, and distributing high-precision equipment ...

Comprehensive You could always count on Hardrock to find the drilling machines that best suit your needs. Whether you need geotechnical drilling rigs, mineral exploration drilling rigs, ...

YUGONG has more than 20 species such as water well drilling rig, core drilling rig, engineering drilling rig, DTH drilling rig, horizontaldirectional drilling rig, etc. These machines are mainly ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include augering and down-the-hole rigs. Typically these are mounted onto ...

our services Our professional engineers have years of proven experience in analyzing, designing, and manufacturing drilling structures and equipment. ...

Zhejiang Miningwell Supply Chain Management Co.,Ltd: With more than 20 years of experience in mining equipment production, D Miningwell has own ...

(ZEYOU) is a modern enterprise specializing in the R& D, manufacturing, and export of construction machinery. Our core products include rotary drilling rigs, mini excavator, ...

ZiGong Machines is specialized in sourcing and manufacturing and supplying nine different categories of conventional onshore and offshore drilling rigs, polar drilling rigs and offshore ...

For more than 27 years, Loadmaster* companies have been at the forefront of rig design, development, and manufacturing of some of the most innovative, versatile, and cost-efficient ...

Kores Engineering offers complete drilling solutions to our customers. We provide expertise in designing, developing, and distributing high-precision equipment to various industry sectors.

ZZ Group machinery corp is a manufacturer who designs and produces geological exploration equipments (like drill rigs), coal bed methane equipments (like CBM drill rig), engineering ...

Kiran Engineers is an ISO 9001:2015 certified company manufacturing top quality water drilling & mining rigs for more than three decades. Designed and ...

Wuxi Zhongjin Mineral Exploration Tools Co., Ltd.: Welcome to buy the best underground drill rigs, core drill rigs, engineering drill rigs, core barrels and overshots, drilling accessories for ...

Our Products - Oilfield Construction and Drilling Equipments Delivering products that fulfill and exceed the owners expectations is a process that starts during the conceptual stage with a ...

Thor drill rig is a South African based drilling equipment manufacturing company. It"s a family owned business that has been around since 1978 . We have built more than 700 units working ...

Rig Technologies comprises two parts: Rig Equipment and Aftermarket Operations. Our Rig Equipment team engineers and manufactures drilling rigs, ...

Offshore Oil Rig Manufacturers specialise in offshore drilling and rig construction. These rigs drill into the ocean floor to extract oil or gas and have facilities for refining and ...

Specializing in building drill rigs and drilling equipment, Aqua Rock is committed to manufacturing drills that suit specific needs with high quality, low ...

The company, Prospering International Inc. (PIINC), specializes in the research, design, manufacturing, and marketing of oil drilling rigs and equipment for oil exploration and ...

Hyperion Drilling is situated in Pretoria East,Gauteng, South Africa- Hyperion Drilling manufactures drill rigs as per the needs of our clients. Our machines ...

SYNERGY RIGS INDIA is a leading manufacturer and exporter of borewell rigs, truck-mounted borewell compressors, tractor-mounted borewell machines, horizontal directional drilling ...

Find your drilling rig easily amongst the 791 products from the leading brands (SANY, SOILMEC, Hengwang, ...) on DirectIndustry, the industry specialist for your professional purchases.

In the world, there are hundreds of player, who making the Drill Rigs from one century ago. Their drilling machine cover almost all drilling ...

We are a trusted manufacturer and exporter of mining and DTH drilling machines, specializing in Water Well Drilling Rigs, DTH Drilling Machines, Drilling ...

Drill rig manufacturer you can count on for quality geotechnical products, drill rigs, test rigs, underpinning and compaction grouting equipment.

Offshore Oil Rig Manufacturers specialise in offshore drilling and rig construction. These rigs drill into the ocean floor to extract oil or gas and ...

Power Distribution Engineering Jelec complete engineering solutions reduce operational costs, increase safety, enhance drilling and equipment optimization / performance. Jelec"s focus is on ...
